

Respected HR Manager,

1) Why do you think you are a greater fit to the role you have applied?

Ans:- Even though I am fresher, I assure you that I will give my best and work to my full potential so that I can contribute as much as I can towards the growth and welfare of this company.

If you give me an opportunity, I will never regret you. I am a person who is dedicated towards my work. I am self-motivated person with Positive Attitude. Good Communication, Time Management is my key elements. And even if the company required I can give my extra time for company.

My Qualifications, Skills and Projects which I have done during my course shows that I am good to fit the role I have applied.

Sincerely,
Akash Kochure.
